

PRESEASON TRACK & FIELD CONDITIONING CLINICS

Island Trees High School, Levittown, New York

PURPOSE

Prepare male and female athletes for the upcoming indoor track and field season. We will begin by teaching proper warm up drills, dynamic flexibility and the reasons for doing them correctly.

SESSIONS WILL INCLUDE

- Proper sprinting technique
- Acceleration training
- Plyometrics
- Proper lifting technique
- Circuit training for sprinters, throwers and jumpers

EVENT INSTRUCTIONS INCLUDE

- All throwing events including weight throw
- All field events
- Sprints and hurdles
- Race Walk

We aim to provide top flight instruction and a sense of community among track and field athletes that will help all athletes achieve their goals.
